For the Grantee and the Host University:

According to the EM Action 2, Strand, Lot 5 (2012) grant agreement grant payments shall be treated as advances until the acceptance of the Final Report. The grant must be reimbursed fully, or, as to be decided by the Consortium, partially,

- If the grant has not been used for carrying out the programme at the agreed places of work;
- If its use for the agreed purpose cannot be substantiated, in particular if no evidence of the due participation in courses, exams, etc. can be shown;
- If the agreed duration of work at the Host University is not respected.

The Consortium reserves the right to reserve 10% of the total grant as a reduction that will be paid after acceptance of the Final Report.

This Letter of Confirmation forms one essential part of the compulsory Final Report, and the dates mentioned above are used for determining whether the duration of mobility corresponds to the grant amount or whether a full or partial reimbursement shall occur.

This form has to be sent by email to the University of Turku within one week after the grant period has ended, to the address given below.
