

VISITING FELLOWSHIPS IN JEWISH STUDIES

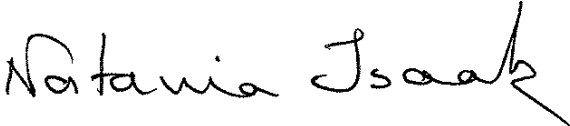

7 February 2017

To whom it may concern

I hereby confirm that Dr. Dmytro Tsolin (Ukrainian Passport No. EH 674565) came to Israel during the academic year 2012-2013 to conduct research under this programme, The Visiting Fellowships in Jewish Studies, a joint programme of two philanthropic foundations, the Beracha Foundation and Yad Hanadiv (The Rothschild Family Foundation).

Dr. Tsolin was selected from the general public and did not owe us any services in return for the fellowship he received.

We would appreciate any assistance you could give Dr. Dmytro Tsolin.

A handwritten signature in black ink that reads "Natania Isaak". The signature is written in a cursive style with a long, sweeping tail on the final letter.

With very best wishes,

Natania Isaak-Weschler
Officer for Fellowships and Prizes
