**How to teach professional English remotely
(Adult)**

held on 11th November 2020

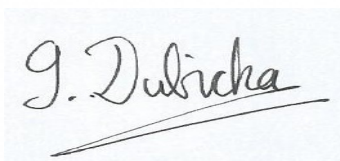

Trainer: Iwonna Dubicka

Duration: 60 minutes

Language: British English

Summary:

As teachers we have had to adapt to a new reality: our courses now are mostly online. In this webinar, we will look at communicative activities for developing professional English online with reference to activities from the Business Partner series that can be easily adapted and to develop learners' language skills, alongside their business skills and soft skills.
